GENERAL INFORMATION

THE FOLLOWING INFORMATION IS DESIGNED TO ASSIST IN THE PLANNING OF YOUR FUNCTION WITH ICON CULINARY WHILE AT LOVELAND LIVING PLANET AQUARIUM.

PLEASE CONSULT WITH YOUR CATERING AND EVENT PLANNER FOR MORE INFORMATION.

ALCOHOL

Icon culinary has been granted an "On-premise Banquet License" from the Utah Department of Alcoholic Beverage Control and will abide by all their rules and regulations. No outside alcohol may be brought into or out of the function. Food must be consumed during the event and must be a private event not for the public. Special permits may need to be obtained from Draper City and the DABC. There is a setup fee for all alcohol sales. Please consult your Event Planner with any questions you may have.

AUDIO-VISUAL EQUIPMENT

A complete state of the art line of equipment is available to you in-house. Your Event Planner will gladly advise you and reserve the basic equipment you may need for your event. For extensive setup needs, we have preferred professionals that can provide a quote and provide services and equipment.

BILLING

Complete payment must be made one week in advance of your event. A deposit, along with a signed contract, will be needed to reserve a date and time at the Aquarium. Prices are subject to change.

FOOD & BEVERAGE

All menus should be finalized two weeks before the function to enable proper ordering and preparation of the menus. All food and beverage consumed at Loveland Living Planet Aquarium must be supplied by Icon Culinary. Due to health regulations, no leftover food or beverages can be taken from the premises.

GUARANTEE OF ATTENDANCE

To ensure your function is a success, you will need to notify the Event Planner of the number of expected guests one week before the function. Once given, this guarantee is not subject to reduction, should fewer attend. We will provide seating for an additional three percent beyond the guaranteed number. If no guarantee is received, we will assume the guarantee will be your expected count.

SECURITY

Icon Culinary will not assume responsibility for the damage or loss of any merchandise or articles left at the Aquarium before or following the function. Arrangements may be made in advance for security as an additional cost for exhibits, merchandise or articles set-up for display before the planned event.

STATE TAX AND SETUP CHARGE

The following menu prices are subject to a 22 percent setup charge and the current sales tax on food and beverage and audiovisual. The menus are provided on a per-person basis unless otherwise stated.
