SCAVENGER HUNT

Breaking the ice can be a great way to begin a meeting or event. Our Aquarium team can provide a complimentary scavenger hunt that you can download and print prior to your event. Your guests can get to know each other and work together as they explore the Aquarium and interact with Aquarium educators to complete the tasks. Scavenger hunts typically last about an hour and can be e-mailed to you in advance to print yourself. The Aquarium cannot print out the scavenger hunt on the day of the event.
