Experience the wonders of the ocean like never before with the debut of Aquarium After Dark, an adults-only, 18+ summer event filled with immersive lighting, ambient soundscapes, and glow-in-the-dark activities around every corner.

Taking place on Friday, August 8, from 6:30 to 11:00 PM, Aquarium After Dark will transform the Aquarium into a vibrant nighttime escape, all without the kids. Guests can amplify the glow with a purchasable Glow Kit, filled with glow-in-the-dark surprises. And, dive into interactive glow games beneath the iconic EECO structure. The evening's festivities will include a glow-in-the-dark scavenger hunt, featuring a mysterious alien language, hidden glyphs along the Science Pathway, and a cipher challenge that’s as mind-bending as it is fun. Plus, don't miss your chance to participate in an illuminated twist on the classic egg hunt, with prizes ranging from Aquarium memberships and day passes to food vouchers.

Guests are encouraged to dress in their most vibrant, glow-inspired attire and are welcome to bring their own glow accessories to amplify the evening's ambiance.

So, whether you're planning a memorable date night, a unique outing with friends, or simply seeking a new way to experience the Aquarium, Aquarium After Dark offers the perfect fusion of exploration and glowing entertainment.
