Loveland Living Planet Aquarium Welcomes Car Community for Charity Event

FOR IMMEDIATE RELEASE

DRAPER, Utah — Statements by Loveland Living Planet Aquarium's Ari Robinson, Senior Vice President of Operations and Jennifer Long, Event Specialist, about the Cars For A Cause event:

"Their support empowers us to continue our vital mission—to inspire exploration, discovery, and lifelong learning about Earth's diverse ecosystems; to foster deep connections between Utah's students and the natural world; and to provide exceptional care for the animals entrusted to us, ensuring future generations inherit a planet worth exploring." -Ari Robinson, Senior Vice President of Operations

"As someone deeply passionate about both the automotive world and the mission of the Loveland Living Planet Aquarium, I'm honored to help bring Cars for a Cause to life. This event is a unique opportunity to unite Utah's car community in support of animal care and conservation." -Jennifer Long, Event Specialist

About Loveland Living Planet Aquarium

Loveland Living Planet Aquarium is a 501(c)(3) nonprofit organization with a mission to inspire people to explore, discover, and learn about Earth's diverse ecosystems. A world-class facility, the Aquarium provides learning opportunities for all levels of interest and age. Since opening in Draper in March 2014, the Aquarium has welcomed almost 10 million guests. Additionally, the Aquarium offers student experiences by visiting every fourth-grade elementary class in the state annually. Loveland Living Planet Aquarium is accredited by the Association of Zoos and Aquariums (AZA). livingplanetaquarium.org ~ [Facebook](#) ~ [Instagram](#) ~ [TikTok](#)
