

Snake Craft – 3 Ways

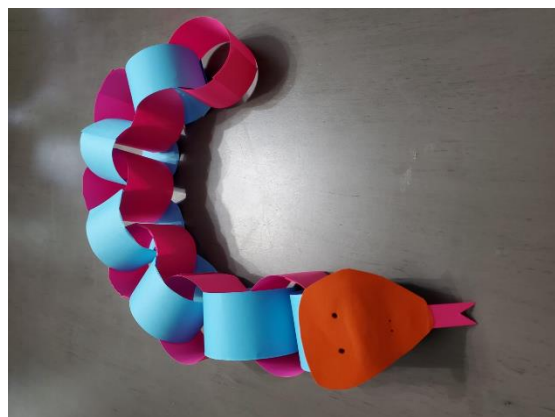

Chain Snake

Materials:

- 3 or more pieces of colored paper
- Coloring utensil (marker, crayon, etc.)
- Tape or glue stick
- Scissors
- Googly eyes (optional)

Instructions

1. Take 2 or more pieces of colored paper and cut out strips approximately 3cm thick.
2. Bend one strip into a circle and tape or glue the ends together.
3. Loop a strip of the opposite color through the first and tape or glue ends together.
4. Repeat until all strips have been used.
5. On another piece of paper cut out an oval/triangle shape to make the snakes head.
6. Make the tongue by cutting a small rectangle, and cut a triangle out of one short end of that rectangle.
7. Glue the tongue on to the head.
8. Add googly eyes or draw eyes with a marker and add circles/dots for nostrils if desired.
9. Using glue or tape, stick this to the front chain.

Slinky Snake

Materials:

- 3 or more pieces of colored paper
- Coloring utensil (marker, crayons, etc.)
- Tape or glue stick
- Scissors
- Googly eyes (optional)

Instructions:

1. Take 2 pieces of colored paper and cut out strips (horizontally) approximately 3cm thick.
2. Tape or glue the strips together to make 2 long strips of each color.
3. Lay the pieces out in an L shape and tape or glue the end together.
4. Accordion fold the paper until you have 4 or 5 inches of unfolded paper left.
5. Trim one color off and tape it so the accordion won't unravel.
6. On another piece of paper cut out an oval/triangle shape to make the snakes head.
7. Make the tongue by cutting a small rectangle, and cut a triangle out of one short end of that rectangle.
8. Glue the tongue on to the head.
9. Add googly eyes or draw eyes with a marker and add circles/dots for nostrils if desired.
10. Using glue or tape, stick this to the back of the long strip to make your snake's head.
